DESCRIPTION

"Going Grey" is our newly listed 2019 Model AXOPAR 28 Cabin with the Aft Storage Bench option.

She has a particularly luxurious feel with her upgraded Stone Grey Alcantara upholstery & teak interior. Inside the cabin you can stay warm and dry with Webasto heating, or when the sun smiles open up the sliding canvas roof to let the outdoors in.

The storage bench option is great for people who like to carry a lot of kit, whether it's skis, wakeboards, paddleboards, or any other adventure gear you might like! With a large lazarette and the extra storage underneath the bench there's loads of room for all your stuff.

AXOPAR is a hugely popular brand, with impressive handling, stable ride and the 28 Cabin is the perfect combination of indoor/outdoor for UK boating.
