DESCRIPTION

"Arlette" is a fine example of the ever popular Axopar 28 T-Top with Aft Cabin option. With a large list of added extras, this 2016 model is perfect for anybody looking to get out on the water right away.

For those extra sunny days the T-Top provides some much needed cover and the Aft Cabin sleeps two which makes weekends away and overnighiting a breeze. She has toilet facilities and an on-deck shower, full suite of cushions for bow and aft deck in upgraded material and light Flexiteek decking all around.

Notably included is a triple axle trailer, full canopy cover and all over boat cover for the winter.

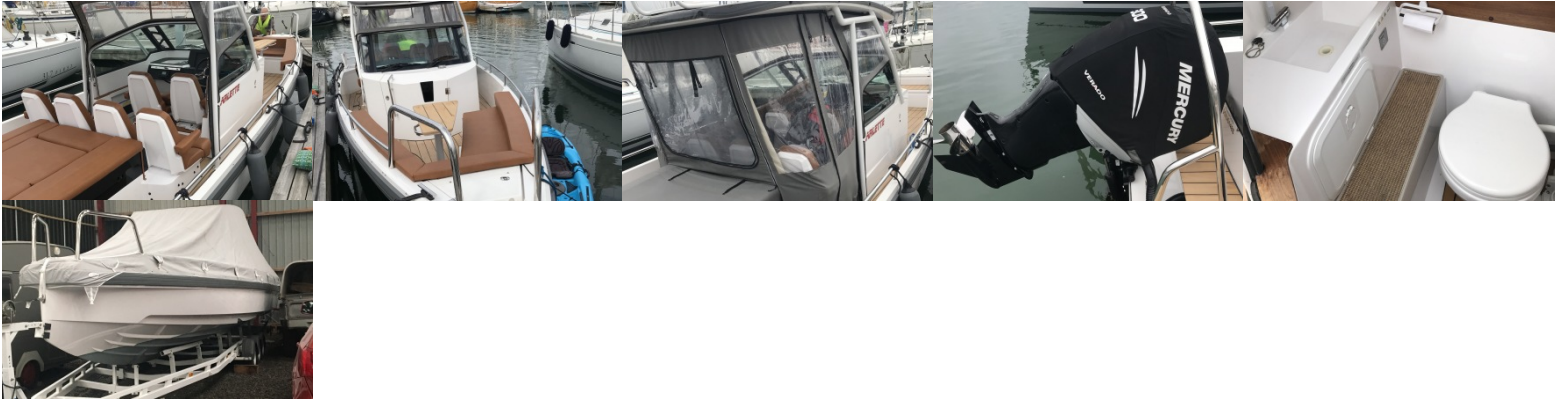

We don't think she'll hang around for long, contact us now for details.
