DESCRIPTION

BAVARIA yacht is the product of the perfect interplay between its individual components. At its forefront is the immense knowhow on boat construction, the engineering ingenuity and design.

This very well kept Bavaria is very stylish with plenty of internal volume, which is disguised by clever styling.

It is ideal for drivers who like to ride fast in an ergonomic driving position with excellent visibility and easy controls making its use a child's play.

With this Bavaria there is nothing beyond the limit of spending a relaxing day at sea with family and friends.
