## DESCRIPTION

---

The Quicksilver Activ 805 Cruiser is a supremely versatile model capable of mixing performance with comfort. Fitted with the sought-after Twin Mercury F150 engines this boat is capable of reaching speeds of 34 knots which thanks to the clever design of the Gunwales is achieved with optimum safety. Add to that a sturdy hull, a well-equipped helm, and the perfect piloting position, and you have a boat that inspires confident cruising, at any pace.

This Quicksilver Active 805 Cruiser comes complete with a very comprehensive specification that includes; Bowthruster, Battery Charger, Simrad Chartplotter, Electric Anchor Winch, Quicksilver Smart Pack, Bimini Cover, Trim Tabs and much more!

Fully serviced and antifouled this season this boat is ready to hit the water.

## ACCOMMODATION

---

Life on board is a priority with the Quicksilver Activ 805 Cruiser, which is showcased by the two swim platforms and transom ladder, and the large steps that give access to the fore sun-pad. Another sun-pad is available to aft by tilting the dinette backseats. To complete the layout, a practical wet-bar cabinet, an additional seat to serve the L table, and an ergonomic dashboard fitted with Mercury gauges.

A transparent sliding door gives access below, in particular to a bright and airy space: which features a separate head with sink and WC. There's plenty of space to comfortably accommodate four, and great ventilation and natural light granted by opening portholes.
