DESCRIPTION

Meet "Idle Fancy" she is a fantastic example of the super popular Sports Cruiser the Rinker 242 Fiesta Vee.

She is jam packed with space and big boats features! She boasts a comfortable and sociable cockpit area, reupholstered and modernised saloon with 2 double berth layout meaning plenty of room for two couples or a family for weekends on board.

We love the teak deck and table with neutral white and beige upholstery which was so far ahead of its time in design. She would be suitable for a fun loving family as she sports an extended bathing platform perfect for jumping in, prepping for paddle boarding or water-sports of any sort, or even just to lay out and sunbathe by the water!

She already has a Garmin Plotter and VHF installed and ready to use, USB Stereo System and Trim Tabs for ultra easy piloting. Great for a first time boater or someone looking to move up from an open boat.

Freshly serviced, anti fouled and prepped for Summer 2021, she is turn-key ready to go immediately.

One Marine are advertising the vessel on behalf of the owner, and viewings will take place with the owner in Plymouth by appointment only. Please note, this vessel does not have a full servicing history, so is unable to be sold through ourselves, the sale will be concluded directly between the buyer and seller.

Please contact us through the contact form or message sophy@onemarine.co.uk directly to book a viewing. She won't be here for long, so get in now!
